Whether you're travelling to the islands or the mountains of Thailand, you're likely to (0) spend at least one night in its capital city on the way. Bangkok might be noisy and polluted but it's also an (1) exciting city with plenty of things to see and do.

The Khao San Road's a famous traveller spot. But it's noisy, not very pretty and not very Thai. For something more (2) authentic, Phra Kanong offers an alternative place to stay, with its fantastic street markets where everyday Bangkok people eat, work and live. It's not as (3) convenient for the main tourist sites, but it has a Skytrain station so you can be at the Grand Palace in 20 minutes.

Bangkok's traffic can be a (4) nightmare. Sure, you can easily take a taxi – if you want to spend hours (5) stuck in traffic jams – but there are two much better ways to get around the city. To (6) explore the temples and historical sites, catch an express boat river taxi or a longtail boat along the Chao Phraya River and the canals. For the modern part of the city, the Skytrain is a fast, cheap way to travel from the river to the shopping malls and nightlife of Sukhumvit, and the famous Chatuchak street market.

Thai street food is among the best in the world, and for around \$5 you can eat a filling and (7) delicious meal. Some food stands have little plastic seats where you can sit and eat and they cook the same dish over and over, like fried chicken on rice or Pad Thai noodles.

After you've seen the main sites like the Giant Buddha at the (8) temple of Wat Pho and the (9) spectacular Grand Palace, and shopped at Chatuchak market, (10) check out the snake farm and watch the live snake show. You can even touch a snake yourself if you want to!

Task A Circle the word that can replace the underlined word without changing the meaning.

Example: (0) pass waste ignore loose

1	boring	<u>thrilling</u> +	dull	tedious	[1]
2	fake	<u>genuine</u> +	artificial	counterfeit	[1]
3	inconvenient	<u>handy</u> +	troublesome	awkward	[1]
4	dream	paradise	<u>(an) ordeal</u> +	blessing	[1]
5	freed	<u>trapped</u> +	released	mobile	[1]
6	ignore	<u>examine</u> +	neglect	overlook	[1]
7	tasteless	bland	<u>tasty</u> +	unpalatable	[1]
8	store	prison	<u>shrine</u> +	market	[1]
9	ordinary	<u>impressive</u> +	common	regular	[1]
10	disregard	<u>inspect</u> +	neglect	avoid	[1]

Painting and writing on walls is nothing new. In prehistoric times, people in Africa and Europe painted pictures of animals and people in caves. Graffiti has been found at ancient sites in Greece, Italy, Syria and Iraq. In the Roman town of Pompeii in Italy, archaeologists found a lot of graffiti written in Latin, including political and romantic messages, and even some magic spells!

In the 1970s, young people in New York used pens to write their names, or 'tags', on walls around the city. Then, some teenagers stopped using pens and started using aerosol paints. Is graffiti art or vandalism? In many countries, it is a

crime to paint on walls and street artists can have problems with the police. In other countries, street art is permitted in certain places.

Nowadays, street art is more popular with the public. In some cities, there are street art festivals. In Bristol in the UK, there is a street art festival in August every year. Artists paint all the buildings in a street. Lots of people come to watch the artists and take photos. Street art can be seen in galleries too. There have been exhibitions of street art in galleries in Paris, London and Los Angeles.

Most street artists are young people who paint in their home city or neighborhood. Many of them use the internet to communicate and share photos of their pictures with other street artists around the world. Some street artists have become famous and their pictures can be seen in galleries or on city walls around the world. Although we don't know what will happen to street art in the future, we can be sure that it is here to stay!
